

Corporate Social Responsibility Activities by Marubeni India

Marubeni India Private Limited ("MIPL") strongly believes that Corporate Social Responsibility ("CSR") is linked with the principles of Sustainability and deeply acknowledges that its business operations have wide impact on the Society at large. MIPL is committed towards achieving its corporate principles through sustainable development vis-a-vis comprehensive growth. Therefore, it is the core corporate responsibility of MIPL to grow in a socially and environmentally responsible way, while meeting the interests of its stakeholders.

With this objective and principle, MIPL took following CSR initiatives during FY 2020-21 and impacted lives of many people.

Livelihood enhancement projects/Rural development - Contribution to Maruti Suzuki Foundation for providing safe and affordable mobility options for Indian villages

MIPL and Maruti Suzuki India Limited ("MSIL") joined hands together to provide safe and affordable mobility solutions for Indian villages. Under this program, MIPL contributed INR 5 Mn. to Maruti Suzuki Foundation ("MSF"), the CSR arm of MSIL. These funds were utilised to procure vehicles to provide community bus service, taxi hire services along with providing logistics means to many of the micro-businesses in villages in the State of Jharkhand.

MSF has already undertaken similar Community Development projects at different villages in the State of Gujarat and Rajasthan. MSF engaged a Non-Government Organisation "PRADAN" for this initiative to be implemented in the State of Jharkhand. PRADAN work in the poorest regions of India to help vulnerable communities organize collectives that help people, especially women, earn a decent living and support their families.

PRADAN helped poor villagers to transform their baron land into cultivable fields and growing local vegetables, fruits etc. to enable them to earn their living and become self-sufficient.

Mr. Atsushi Suzuki, Chairman and Managing Director also went on a 2 day visit to remote villages near Ranchi, State of Jharkhand during 10th & 11th March, 2021 to oversee the self-sustainability projects developed by a Non-Government Organisation "PRADAN" for the economically weaker and backward section of villages. He was also accompanied by Mr. Tsutomu Nanjo and Mr. Kshitij Kumar from CPBD and Mr. Kenichiro Toyofuku, Executive Director, MSIL and other delegates from MSIL.

The delegates were warmly welcomed by the local villagers through garlands and folk songs and dance. Villagers also shared their experiences, life in remote villages, problems faced by them during their daily lives and help which they seek from conglomerates like Marubeni. The delegates also had a chance to eat scrumptious local village food served by local villagers.
